Dear Friend,

30 years ago, Monsignor Robert McDermott returned to the Parish of his youth, St. Joseph's Pro-Cathedral in Camden, New Jersey, to serve as its Pastor. Throughout these 30 years, Father Bob has devoted himself to serving those in need by maintaining or launching numerous ministries to meet the needs of his neighbors in a city in decline. He saved the Elementary School from closing, reorganized the Child Development Center and created four new ministries including:

- a Housing Company
- a Youth Outreach Program
- a Community Service Retreat Program and
- a Homeless Facility

Father Bob is a legend for his outspoken leadership in supporting the people in his city. His accomplishments and programs have changed thousands of lives for the better.

For this reason, **The Joseph Fund,** established by Father Bob to ensure the sustainability of these ministries, has chosen to honor him at the **First Annual "Hand Up Gala"** on November 1st. The Gala takes its name from Father Bob's long held belief that offering people a "hand up" instead of a "hand out" has a much more profound impact on their lives. All proceeds from this exciting event will support the programs he created and will help to transform the lives of the people he has served.

We invite you to become a part of this tribute to Father Bob and his lifelong mission in one of the following ways:

- Sponsoring the Event
- Paying a personal tribute to him in the Program Book
- Attending the Gala

Your support will allow us to continue his legacy of caring and supporting our neighbors in need!

Enclosed is information about the Program Book. If you have any questions, please contact our Event Co-Chairs, Lisa Blaber at JFprogrambook@gmail.com or Susan Hodges at JFsponsorship@gmail.com.

Thank you for your generous support!

Best Regards,
Mark Hodges
